BPS201

Computer	→	Scan, mastermaking, print	→	out put

◎ Time saving
◎ High efficiency
◎ Excellent quality

Simple Operation

The angle of control panel, key layout, levers and doors on the duplicator are all designed based on thorough ergonomic studies so everybody in the organization can use them easily. No special training is required

Intelligent Flat Bed Scanner

Flat bed scanner gives fast, convenient scanning of bound originals up to A3 size without breaking them apart. There's even a function to intelligently remove the gray background colour frequently found when scanning newspapers and the like

Spot Colour Printing

With a simple drum change, multiple colour printing is available

Secret Code

Operations can input a personal code, the machine cannot be used without the code.

PC Connections

Equipment standard with USB interface, perfect as a printer. High-speed computer connectivity function saves you time and improves the working efficiency.
